## 2020 FOUNDATION SPONSORSHIP OPPORTUNITIES

The AAOHN Foundation, a 501(c)(3) tax-exempt organization, was created in 1997 to enable occupational and environmental health professionals to improve worker health and safety by preventing workplace illnesses and injuries. To ensure that occupational and environmental health professionals find the critical current and future answers they need, the AAOHN Foundation funds professional development scholarships and research grants that focus on improving the health and safety of the nation's workforce. The Foundation acts as both a vital source of funds and a stimulus for substantive work to solve today's worker health and safety issues. Supporting the Foundation's fundraising activities ensures improvement in the health and safety of the nation's workforce and a bold, visionary expansion of resources for occupational and environmental health professionals.
