MAXIMIZE YOUR VIRTUAL EXPERIENCE

As you plan to attend the AAOHN National Conference, be sure to keep in mind these tips and tricks.

Take advantage of being in your own space – want to snack on popcorn during a session? Your fellow attendees will never know

Minimize distractions: When you're watching alone, it's easy to "multi-task" and get distracted. Try to reduce notifications, grab a notepad and focus on learning

Block time on your calendar for those can't-miss sessions you want to attend live and for virtual exhibit hall hours and networking events

Connect with other OHNs through the chat and on social media with #AAOHN21
